EDUCATION

UCLA Extension, Los Angeles, CA

Full Stack Developer Certificate

AUGUST 2017 – FEBRUARY 2018

An intensive boot camp dedicated to designing and building web applications from client side to server side with additional learning of fundamental computer science concepts and terminologies, emphasis on MERN.

University of Saint Mary, MBA, 4.0 GPA, Leavenworth, KS,

Berklee College of Music, BA, Boston, MA

EXPERIENCE

SAGE Publishing, Thousand Oaks, CA – *Sales Representative*

December 2015 – PRESENT

Work with professors from 300+ colleges and universities [Johns Hopkins University, Emory University] to discuss publishing their research, curriculum planning, textbook adoptions [resources, course packs, ebooks] developing courses within disciplines of psychology, sociology, research methods, political science, business, management, communication, criminal justice, homeland security, and human services. Critical thinking, concise and clear messages, cost effective products and digital services for both student and professor.
